Seok Whan Moon, M.D., Vice-president / Korean Psychiatrist & the ECFMG certificated in U.S.

Dear Worldwide Readers

Hi, Hello! My Colleagues of worldwide medical doctors.

Honorably introducing **CHOBING** for international doctors, I would be very proud of co-working with the high quality staffs as the Vice-President of **CHOBING**.

The **CHOBING** has firmly kept the top ranked status in the business field of medical headhunting human resources since its establishment, Seoul KOREA. For many years we have accumulated the database, which encompasses the hospital planning and marketing specialists as well as medical doctors, nurses, dental doctors, and paramedics, is very highly concrete and exclusive.

From the year of 2010 to 2019, through the assessment of managing efficiency and the degree of consumer trust, the **CHOBING** has been rewarded the Gold Medals by the Department of Trade and Industry of KOREA.

Upon the highly creditable and verified database, prudentially we have been matching the top-right professional to best-right position. I would like to recommend my worldwide colleagues to try to contact us,

Stacy Lee, Vice-president in managing database

I am Stacy Lee at the global medical searchfirm NO.1 Chobing in Seoul Korea.

Our company **CHOBING**, more than 20 years in Korea has been conducting business career in headhunting based doctors and nurses of the hospital.

We have a massive database including qualified American Board doctors as well as Korean doctors.

If you want to recruit doctors and nurses of Korea, Please contact the most famous Searchfirm **NO.1 CHOBING in Seoul Korea**. Thank you.

Turki, Senior director

I am Saudi Arabian. This company is very well known between doctors and nurses in Korea. They will be able to help you with any options of yours. **CHOBING**, Korea's professional doctor employment company will be a good experience for the Middle east countries. Thanks.

Jae Hyung Cho, M.D., Director / Prof. of Endocrinology in Catholic University Saint Mary's Hospital

I am Korea's Professor of Endocrinology in Catholic Medical University. I have an experience of overseas training in Stanford University, California. I have known Chobing for a fairly long time. It is a professional medical headhunting company for doctors, and it is also known in the U.S. Try this good website.

Ji Hyun Ju, M.D., Director / Prof. of Rheumatology in Catholic University Saint Mary's Hospital

This company is well known between many doctors in Korea. I hear a lot of informations and advices for overseas employment and ventures from here. My students and my junior colleagues thank this company for their informative experiences. I wish to get more informations on overseas employment for the future. Have a nice day.

Kang il Kwon, Officer of KLWC (Korea Labor Welfare Corporation)

CHOBING, the company that helps hospital staffing and helping the Korea Labor Welfare Corporation, is the company that you can trust completely. Thank you for having a lot of employee candidates and introducing trustworthy people to us. I look forward to work together again.

You Jung Kim, RN

I work in Arab Emirates with the help of this company. I have good working and good treatment here. I am very satisfied with my career. With **CHOBING**, you will get easily satisfied with your work with fast employment and informations of hospital staffing. I always feel very thankful. Plus, I have pride for my work and happy that I get more experience here.
